### WHAT IS THE "OPEN DOORS" PROGRAM?

Did you know that the YMCA is a leading nonprofit organization that serves over 10,000 communities across the country? The Y provides youth development, healthy living, and social responsibility programs to all regardless of faith, cultural background, or ability to pay. We strive to make services accessible by offering income-based financial assistance. All financial assistance is made possible with the generosity of local donors who support the mission of the YMCA.

Complete the Open Doors application to understand the assistance your family may qualify for and receive an honorary discount for signing up at the time of your application!
