TINY TOTS INDOOR SOCCER

YMCA of the Sandhills
Hope Mills Branch

- Tiny Tots indoor soccer is an exciting sport combining team play and individual skills. The YMCA Tiny Tot's program is designed to teach 3-4yr olds the fundamentals of soccer. Every child will receive instructional time and game time for skill development.
- While basic skills of soccer are taught through practices and games, every child will learn sportsmanship and the YMCA core values which are: Caring, Honesty, Respect, and Responsibility. Every game begins with a Youth Sports Pledge and ends with a handshake.
- The YMCA Tiny Tots Sports Program not only helps kids become better players, but it guides to become a better person as well. It's a progressive program, with age specific lessons. Every child gets to play, and the games are safe, exciting and fun. We encourage fair play, positive competition, and most of all family involvement.
