

Camp Description

YMCA Summer Camp is for school aged children who want an active and adventurous summer experience. Campers will learn new games and skills, develop confidence, and build lasting friendships throughout the Y community. Each week is themed and includes daily projects, games and outside activities, a field trip, summer learning loss prevention, swimming and more!

Counselors In Training

C.I.T.

Here at YOTS Day Camp, our teens get the fun, relational experience of camp as well as leadership skills for the future! CITs are led by experienced staff members who serve as mentors and coaches for the summer. CITs are involved in team-building activities, group outings and service projects. And, CITs get to be leaders in our community of over 350 kids every week!

- *Leadership training
- *CPR Certifications (Additional Fee Required)
- *Resume starter
- *Eligible for hire at 15 if complete 5 week session

\$85.00 week
