Safety Around Water

Family Pledge

We pledge to be safe in and around water.

As a family, we agree to do the following:

- ✓ Always make sure an adult actively watches children around water.
- ✓ Make sure an adult stays within arm's reach of young children in the water.
- ✓ Swim near a lifeguard.
- ✓ Reach or throw, not go, to help a swimmer in trouble.
- ✓ Consider enrolling children in swim lessons to help them stay safe around water.
