What does a typical day look like?

Every day will be filled with physical activity in the form of indoor and outdoor games, educational activities, crafts and challenges, group activities, character building through teamwork and fun, weekly field trips, and trips to the pool. Kids will be organized in groups with others of their age range.

Do I need to bring my child(ren) with food?

We are unsure if we will be able to provide lunch for the campers this year. Parents should be prepared to pack lunch, snacks, and a refillable water bottle every day. If we're to provide the lunch program parents will still be required to send snacks, and a refillable water bottle daily. This is subject to change at any time and parents will be notified if so.

How should my child dress?

Children should wear sneakers/tennis shoes every day. No open-toed shoes, sandals, boots, or CROCS. This is to prevent any injuries. Please make sure your child is dressed in appropriate clothing/shoes daily. No dresses without shorts under them. Campers will not be accepted if they are not in proper shoes or clothing. We ask that you send your child with a change of clothes daily. On swim days, please send your child's bathing suit, and towel.

Is there anything that my child will need to bring?

Lunch, snacks, refillable water bottle, an extra change of clothes, swimming attire/gear, and sunscreen. We do not allow any electronics during camp. In case of emergencies, you may call the director or the YMCA branch that your child is located at.

What if my child has allergies, medical issues, and/or needs medication?

Please list any allergies on the application during the registration. Be sure to give any medication that could be administered during camp times to admin with a signature from the parent/guardian. All medication needs to be labeled with the child's name and attach any special directions. We do not keep refrigerated medication overnight.

Mask Policy?

We will not be requiring masks at this time. This is subject to change.
